

County Programme Team

Athletics Activity Booklet

BEAVERS

Dear All,

The County Programme team are pleased to announce our Athletics-themed resources as part of the Active and Healthy Campaign. We have produced this booklet offering a range of activities and challenges to support Young People in their efforts to achieve the Athletics Badges for their section. These are designed to be completed in your garden, local park or whatever outdoor space you are able to use for exercise.

We encourage you to send any photos or videos during this activity to your leaders, and to us, on Social Media by the following:

- Oxfordshire Scouts Facebook Page
- Oxfordshire Scouts Adult Forum Facebook Group
- @oxonscouting on Twitter and @oxonscouts Instagram

Then we can share in all your fun.

Yours in Scouting

Athletics at Home:

The Athletics badge challenges:

BEAVERS

Take part in a proper warm up routine, using all the main muscle groups.

When exercising it is important to make sure your body has warmed up and stretched out so that you do not injure yourself when completing the challenges ahead. You will also notice as you exercise your breathing and heart rate will change. Let us find out why, and then try it for ourselves during our warmup.

<https://youtu.be/3p6Rlv9ZRY4> - Breathing

<https://youtu.be/3p6Rlv9ZRY4> - Heart rate

Count how many times you take a breath in 1 minute before completing your warmup then count how many times you take a breath after your warmup. This will show us if we have started to need more oxygen in our bodies as we start to exercise.

You need to start a timer and then place your hand on your chest, each time you breath in you will feel your chest move.

Take part in three of these agility activities:

Throw and Clap

How many times can you clap between throwing a ball into the air and catching it again?

Can you throw a ball spin around and catch it again?

Animal laps

Complete laps of the garden moving like different animals

Hop like a frog, travel sideways like a crab, move on hands and feet like a cat or trot like a horse.

Nearly an Egg and Spoon Race

Balance an object on a spoon, it could be an apple, potato, or ball, whatever you are able to find.

How many laps of your garden can you do in 1 minute?

Hurdles

Find something to jump over - it could be tea towels, sticks etc. Lay them out in on the ground around your garden. How many laps of the course can you complete in 2 minutes?

Packed Lunch Challenge

How fast can you make your lunch?

Put 2 plates 10m apart have all the stuff to a packed lunch (6 items) on one plate, now see how fast you can make your lunch on the other plate bringing over one item at a time?

Star Jump Challenge

How many star jumps can you do in 1 minute?

Dress up Challenge

Place these items somewhere apart all over your space : A hat, a bag, a scarf, a coat.

Sit your grown up at the start line. Run and grab one item, take it back to your grown up and put it on them. Continue until they are wearing all the items. Take a photo of them!

Obstacle course

You have 10 minutes to make your own obstacle course, it must contain an over, an under, a jump and a balance.

How fast can you complete the course, what went wrong as you tried to get faster?

Ministry of silly jumps

How many different ways can you think you jump?

Video yourself jumping in the silliest way possible and send it to your leader

Take part in a proper cool down routine, using all the main muscle groups.

When exercising it is important to make sure your body has cooled down properly after exercise so that you do not suffer from cramps or have aches afterwards. Follow the link to a cool down video and finish off your exercise routine.

Athletics at Home

What else can I do to link athletics to scouting? Below is a list of some other activities, on our theme of athletics, with the linked badges:

Skill	Description	Achieved
<p>Athletics</p>  	<p>Make a poster to promote exercise to others</p>	
<p>Sports</p> 	<p>Dress up in the kit you use for your sport and send a picture to your leader</p>	
<p>Sports</p> 	<p>Tell us about a sport you have done for a term and answer these questions:</p> <ol style="list-style-type: none"> 1. What are the rules of the sport? 2. What skills have you learnt 3. Who is your favourite player and why? 	
<p>Sports</p> 	<p>Write a short story about a sporting event you have attended or would like to attend</p>	

Please keep scouting and send in pictures of all you achieve to your group and social media so we can all share in each other's accomplishments.
